Chilton Area Community Foundation
Katie Hemauer Memorial Scholarship

This scholarship fund was established by the Hemauer family in memory of Katie, a 2000 graduate of Stockbridge High School, who lost her life in an auto accident in November 2005. Katie was a smart, cheerful and vibrant person who loved school and loved to hunt and fish. Drawn to the outdoors, she majored in environmental science in college. Katie was the Stockbridge High School valedictorian and a summa cum laude college graduate from UW Green Bay. She was remembered by one of her professors as the most outstanding student he ever had in his classroom. Katie was a groundwater specialist with Calumet County, a Brownie troop leader and headed a citizen's conservation group, when her life was tragically taken by a drunk driver. Establishment of this scholarship gives financial support to similarly inspired Chilton and Stockbridge High School graduates, who have the same enthusiasm and passion for an education in science as Katie did.
