

Waupaca Area Community Foundation Edmund J. and Mary Lee Christensen Scholarship

Background:

Ed and Mary Lee Christensen never had any children. Yet, it is children who will benefit from the couple's estate through the scholarship fund which they provided for. Ed died on January 21, 2012 at 84 years old. Mary Lee, who was stricken with polio around the early 1950s, died on July 3, 1992. The couple worked with their attorney in the establishment of the scholarship for a period of four or five years. The reason the couple chose the fields of music, physical therapy or veterinary science was they loved dogs and music. Also, Mary was primarily confined to a wheelchair from her high school days and Ed took her all over for physical therapy. Their home on the Chain O' Lakes included an old Steinway piano, and during his final days, Ed often listened to old record albums, reminiscing about his wife. Through the years, the couple had many dogs. The road on which they lived, Tammy Trail, was named after one of the first dogs the couple had, a German Shepherd named Tammy. Ed was described as a character, unique and frugal; He served in the U.S. Navy during World War II, and for many years, managed the Holiday Station in Waupaca. The couple wanted students to put this scholarship to good use, study hard, and get their degree.
