

Chris Reichwald Memorial Scholarship

Chris Reichwald attended Wrightstown High School from 1995 to 1997. He was an avid golfer, playing varsity golf and earning letters in both his freshman and sophomore years. In the fall of his junior year, Chris died in a tragic automobile accident while crossing Highway 41. His death influenced the community to create the Highway 41 LAWS (Lives Are Worth Saving) Committee, which ultimately succeeded in convincing state and national highway officials to upgrade Highway 41 to freeway status.

This scholarship fund was established by Chris' parents, Carla and Harry Reichwald, to memorialize his life and to reward future Wrightstown High School students aspiring to continue their education at a college or university.
