

## Women in Science Scholarship

### Eligibility:

Graduating female senior of a public high school in Appleton, Menasha, or Neenah, planning to attend a four-year private or public college or university to earn a Bachelor of Science degree in science, engineering, chemistry, physics, biology or mathematics, with a minimum cumulative GPA of 3.0 and need financial assistance in order to pursue a post-secondary degree.

### Award Amount:

One \$1,000 per year renewable scholarship award for up to four years (total \$4,000)

### Selection:

Female recipient is selected each spring by the Women in Science Scholarship Committee.

### Payment Procedure:

Scholarship payments will be released after submission of the following to the Community Foundation for the Fox Valley Region: completed scholarship verification form (located at [www.cffoxvalley.org/scholarships](http://www.cffoxvalley.org/scholarships)), proof of major and verification of full time student status (class list with credits listed). For subsequent years the student must submit all of the above documentation along with prior year's grade report (unofficial grade report will suffice). After approval of submitted documentation, the scholarship check will be paid directly to the school the recipient will be attending during the first semester. Most communications between the Community Foundation and the student will be via email; *please keep us advised of your current email address.*

### Loss of Eligibility:

Student must maintain full-time student status and remain a science major throughout the undergraduate years maintaining a 2.0 grade point (on a 4.0 grade point system) during the freshman year of college, a 2.5 grade point during the sophomore year, and a 3.0 grade point during the junior and senior years of college in order to be eligible for renewal of the scholarship award.

*Student changing their major should contact the Community Foundation to verify continued eligibility.*
