

Gresham Scholarship Fund Community Scholarship

Eligibility:

Applicants must be members of the Gresham Community for a minimum of three years and have completed or are in the process of completing one semester in a post-secondary education institution (including accredited colleges, universities, vocational schools and technical colleges) and have maintained a 2.0 cumulative grade point average. *Previous recipients of the Gresham Dollars for Scholars or Gresham Scholarship Fund scholarships are not eligible to apply for this scholarship.*

Award Amount:

Number of awards may vary. Up to \$1,250 non-renewable scholarship award for tuition expenses to be paid after successful completion of 1st semester.

Selection:

Recipients will be selected each January by the Community Foundation Scholarship Selection Committee. Selection will be based on candidates who have completed or are in the process of completing one semester of college and have submitted a complete online application articulating educational and employment background and clear career goals and course of study. Successful applicants will submit proof of residency in the Gresham community for a minimum of three years and transcripts indicating a minimum cumulative grade point average of 2.0.

Payment Procedure:

Scholarship payments will be released after submission and approval of the online scholarship verification form. Log in to your account on the Community Foundation Web Portal at <https://donor.cffoxvalley.org/SpectrumWebPortal>. Click on Scholarship Applicant, My Awards. Click on the Scholarship Name and then on the Follow-up Action towards the bottom of the page. Complete, save and submit the online scholarship verification form. The scholarship check will be paid directly to the school the recipient will be attending during the second semester. Most communications between the Community Foundation and the student will be via email. *Please keep us advised of your current email address.*

Loss of Eligibility:

Failure to maintain a minimum 2.0 GPA in the first semester and register for second semester.
