

Chilton Area Community Foundation Nicole Bangart Memorial Scholarship

On January 9, 2015, a very important part of our family lost her life. Nicole Bangart was a 2010 graduate of Chilton High School who strived for academic excellence. Receiving only one A- in her entire high school career, she graduated with highest honors and as co-salutatorian. She excelled in band and art throughout her high school years. Nicole also had a great love for performing on stage in many plays and musicals. In her free time, she played the piano, read countless books, and spent many hours helping out on the family farm. She enjoyed picking stones,

baling hay, caring for young calves, milking cows, and helping with various other barn chores. Nicole will forever be remembered by those close to her as an ambitious, creative, and intelligent woman who worked hard to achieve her goals while maintaining her affection for loved ones and animals.
