

Basic Needs Giving Partnership Grant Application

Jennifer Krikava (Community Foundation for the Fox Valley Region)

The Basic Needs Giving Partnership (BNGP) is investing an additional \$5 million dollars above and beyond our regular regional grantmaking budget. In response to the pandemic, we realize demand for services is increasing while revenue streams for nonprofits are decreasing. We have worked to streamline and simplify the application process. In this spirit, we have removed word and character restrictions so that you don't spend your important time wordsmithing. Please be complete but brief with your responses. If it easier for you to respond to these questions using a Word document or an already completed application form from another funder, please feel free to upload that document in the attachment section. Potential grantees from Calumet, Outagamie, Shawano and Waupaca counties and the Neenah-Menasha area of Winnebago county should contact Jenny Krikava (jkrikava@cfoxvalley.org) at the Community Foundation prior to completing an application. Requests will be accepted continuously, and grants will be distributed on a rolling basis to allow for the most flexible response to evolving needs.
