

Waupaca Area Community Foundation Dr. Marshall & Mary Boudry Memorial Scholarship Fund

Background:

Marshall and Mary began their married life together in 1927 when they eloped in Chicago, IL. Mary had earned her nursing certificate from the Presbyterian Hospital in Chicago and Marshall was studying to become a doctor. Mary financed her schooling as a telephone operator and Marshall had been a licensed barber at the age of 17. Marshall was told by one of his professors that he would never be a doctor. He proved him wrong and later earned degrees from the University of Madison and the University of Minnesota and completed his residency in internal medicine at the Mayo Clinic in Rochester, MN. In 1935, Marshall and Mary moved to their new home on Mirror Lake in Waupaca with their three children and a fourth on the way. It was here, Marshall set up his permanent medical practice until he was called into the Navy during World War II.

Mary chose to give up her nursing career to take on a new role of the mother and primary caregiver of their four children. Upon Marshall's return from the war, he and Mary continued to raise their family together and Marshall resumed his role as a doctor in Waupaca. He and Mary were active community members and advocates for education and quality healthcare. They enjoyed traveling and learning about the latest advancements in the medical field by attending medical conferences both stateside and abroad. After 53 years of marriage, Marshall lost his beloved Mary to a brief battle with cancer. He and those at Riverside Medical Center provided her with the best possible care, but it was not a battle to be won. He continued to practice medicine until his death at the age of 86. Marshall died while leaving his home to go to work. He loved life, his family, and being a doctor.

This scholarship was established in 1991 by Marshall and Mary Boudry's children to honor their parents' memory and the dedication they had for the healthcare profession.

Eligibility: (taken into consideration to determine recipients)

- Graduating seniors from Waupaca High School planning to pursue a career in the healthcare field and attend an accredited 2- or 4-year college, university or a technical school
- Academic achievement
- Minimum 2.5 GPA
- Active in extra-curricular activities (such as school or club sports, community volunteerism, church, clubs, organizations, and/or work history)

Award Amount:

Two \$1,000 non-renewable awards for tuition expenses.

Selection:

Recipients will be recommended each spring by the Waupaca High School Scholarship Selection Committee.

Collecting the Award & Payment Procedure:

Recipients must fill out and submit Scholarship Acceptance Form and Scholarship Verification Form through the [Scholarship Portal](https://www.grantinterface.com/Home/Logon?urlkey=cfvrscholar) (<https://www.grantinterface.com/Home/Logon?urlkey=cfvrscholar>). Recipients are required to provide supporting documents *as instructed* in the Scholarship Verification Form, such as class registration/list **with** credits listed, proof of major, grade transcript, etc.

After approval of online Scholarship Verification Form, the scholarship check will be paid directly to the school the recipient will be attending. The **Community Foundation communicates with students via email**; it is the student's responsibility to keep their Scholarship Portal account updated with their current email address.

Loss of Eligibility:

Failure to maintain full-time student status, pursuing a career in the healthcare field, at an accredited college, university or technical college.
