

## Gary McGoey Scholarship Fund

### Background:

Gary McGoey graduated from Kaukauna High School in 1961. Living with his mother, who was widowed when Gary was six years old, the family struggled financially. If it wasn't for the University of Wisconsin-Fox Valley, he might never have attended college. He earned a Master of Science degree in counselor education.

As a young person, he did not value the importance of education, but learned later that education is a lifelong pursuit. He feels you must never stop learning. He created this scholarship, along with three others, when he retired and audited classes at UW-Fox Valley and Fox Valley Technical College for a few years. He strongly believes that students should not have to worry about money while facing the pressures to perform well academically.
