

Clintonville Area Foundation Margaret Peeters Memorial Scholarship

Background:

Margaret Mary Peeters, a 1984 Clintonville High School graduate, was an inspiration to everyone who knew her. Following graduation, she attended Fox Valley Technical College and earned a degree as a Dental Assistant. After gaining experience in her field, she taught classes at FVTC while working at a dental clinic. During Marge's freshman year at college, it was discovered that medication she had taken for an illness in her early years had caused her to have kidney problems. By age 22, Marge needed a kidney transplant. Her first transplant was in 1989 and failed after 3 years. She was on dialysis for the next 7 years before finding another donor. In 1999 she had her second kidney transplant. Her health conditions never stopped her from doing what she wanted to do. She loved attending sporting events, traveling, spending time with family and friends and she loved to laugh. Nine years later Marge's kidney again started showing signs of rejection. She lost her battle in July 2009. Although she never married or had children of her own, she was loved by anyone who knew her.

The Margaret Peeters Memorial Scholarship Fund was established in 2009 at the Clintonville High School Class of 1984 25th reunion. Clintonville friends and classmates found it important to have Marge's legacy live on through this scholarship, in hopes that it will assist others as they begin their education in the dental and/or medical field.
